Energizing Spirits

Transforming Lives

Our VISION:

We believe that everyone deserves to experience God's love in relevant and authentic ways. Our thriving faith community energizes spirits and transforms lives by putting God's love into action to help make greater Cape May a better place. We invite others to join with us as we joyfully love and serve God and our neighbors through the power of the Holy Spirit in the name of Jesus Christ.

Our MISSION:

Cold Spring Presbyterian Church delivers spiritual resources and experiences that are centered in God's love. We enthusiastically proclaim the abundant life through Jesus Christ. Our mission is to improve the spiritual vitality and wellness of our congregation and community throughout the Cape May region through inspiring worship, practical teaching from God's word, innovative programs, and community-focused events and ministry.

Be Kind

Be kind, compassionate, and forgiving to each other, in the same way God forgave you in Christ.
Ephesians 4:32

Pastor's Annual Report

Hello, friend.

In the future, when we're asked to recall the worst year ever, there is no doubt that 2020 will be the #1 choice! Last January, our annual meeting was filled with expressions of gratitude for God's blessings as we launched our "Brave New Year!" mission theme. Little did we know that as we enjoyed food and conversation in Price Hall, 7,570 miles away, the coronavirus was spreading. In our hyper-connected world, everything applies. To date, in the United States, we now count 25,423,076 coronavirus cases and

431,838 deaths. Besides COVID-19, hurricanes, fires, and everyday stressors and hardships have taken a tragic toll. Our Brave New Year has not turned out the way we imagined one year ago, but God has met where we are and has abundantly offered kindness, mercy, peace, and forgiveness. In response, this year, our mission theme is to *Show God's Kindness To Everyone*. Kindness is rooted in the Gospel message, and as they offer kindness to others, they can experience God's kindness, too.

Our world can seem very unfriendly right now. Loss and fear, uncertainty and doubt, roll across our nation and around the world. There is a collective trauma that negatively affects us. Think about those who have lost loved ones. Consider teachers and shop keepers who struggle every day. Think about health care workers, first responders, police, and firefighters. Think about not only those who can work from home but those who can't and must work in dangerous places. Pandemics are hard on everyone, but every crisis is immeasurably more difficult for those who lack resources, justice and bear unfair burdens others often take for granted. Each of us just wants to have a good day. Stay healthy. And care for our loved ones. All of us hope for pieces of what we once called normal.

In these uncertain times, God has not abandoned us but "moved into our neighborhood" (John 1:14) and extended amazing grace to us all in Jesus Christ (John 3:16-17). God's loving-kindness is needed now more than ever. And this kindness is something we can experience and share with others, too. And the more times you offer kindness, the better you'll feel!

According to the best science, kindness is good for us because it will increase self-esteem, empathy, and compassion, and improve mood. It can decrease blood pressure, too. People who give of themselves in a balanced way through acts of kindness also tend to be healthier and live longer. Wow, that's good news! Kindness can increase our sense of connection to others, which can reduce feelings of loneliness while improving low mood and enhance relationships in general. Even more exciting, Kindness can be contagious! Kindness never runs out!

Before you criticize someone's Facebook post, consider how you can show kindness, instead. Before you snap at your spouse or partner, parent or child, show some grace. Before you blame someone without taking responsibility for your part, pause and receive God's kindness, love, compassion, grace, then share that with the other person. Before you inadvertently short-tip the delivery person or ignore an opportunity to be helpful, remember how God has been kind to you. In whatever way makes sense to you, this year, be kind to others and yourself, too!

"Be kind" is not just a slogan. Showing kindness to everyone is more than a theme for the year. Kindness will be a way of life for us at Cold Spring Church in 2021 and beyond. How will you show kindness today?

Thank you for being a part of our mission and ministry.
Blessings,

A handwritten signature in blue ink that reads "Pastor Kevin".

Community Life Team

The Community Life Team was previously part of the Congregation and Community Life Team, and is now expanded in its vision and focus. Our Community Life Team expresses our commitment as a *community of faith* to make new, sustainable, connections with the *community at large*. Realizing that we must create a fresh expression of the Gospel about Jesus accessible to those who are looking for in-person alternatives to traditional Sunday worship. The team is led by Norris Clark and others who developed this community engagement experience by Cold Spring Presbyterian Church called **Cold Spring Suppers**. This unique, moderated, public conversation about spirituality will inspire thoughtful listening and learning. Open community conversations about faith (before the pandemic) were to be held monthly at the Cold Spring Brewery, with a larger presentation-focused experience to be scheduled multiple times a year called **Price Hall Suppers**. Because of the pandemic, a trial *Zoom version* of Cold Spring Suppers involved dozens of individuals online through May, which was later put on hiatus due to the continuing COVID-19 pandemic restrictions. As soon as it is safe to gather in person once again, Cold Spring Suppers will re-launch.

Find out more about this new ministry by visiting www.coldspringsuppers.com .

The Calendar for Cold Spring Church for the Year 2020

Activities in the year 2020 were limited, due to the Pandemic. Plans for dinners and any other activities in Price Hall had to be canceled from March through the rest of the year. Both the Strawberry Festival and the Christmas Bazaar were not held because they involved too many people. We also did not have the Church picnic.

We were unable to get together for a monthly lunch because of the restrictions laid down by the Governor. Hopefully, this will change in 2021, but in the meantime we will stay safe.

Marge Wetherill

Facilities Team

Mission of the Facilities Team

To improve the beauty, accessibility, usefulness, efficiency, care and maintenance of our buildings and structures, both interior and exterior, (including Price Hall (rental policies and processes), Red Brick Church, and manse, but excluding cemetery-specific structures).

Facilities Team (formerly known as The Cemetery - Church Property Team) was reorganized mid-year to more effectively handle the responsibilities of maintaining church property and overseeing the operation of the cemetery and grounds. Facilities is responsible for the Sanctuary, Price Hall and the Manse. Cemetery and Grounds Team has responsibility for all matters relating to the cemetery and all grounds. Due to the effects of the worldwide Coronavirus pandemic, all activities at the church and Price Hall were sharply curtailed for the entire year. Price Hall was closed and remained closed to the public through the end of the year with plans on hold for re-opening. The sanctuary was closed in March when we began weekly internet church services. In September, the sanctuary was opened for worship (both in-person and online) after a thorough cleaning. Adherence to appropriate protocols (hand sanitizers and masks) is required for entrance to the church. Contact tracing capabilities were employed per CDC and Presbytery guidelines.

Further improvements to Price Hall have been deferred pending re-opening. It is hoped that we will continue with improvements required to upgrade the kitchen for use by our congregation and outside groups who rent Price Hall when we are able to safely re-open.

The Manse continues to be rented by Family Promise on an as needed basis. Special thank you to all those who have generously given furnishings to the Manse and to Jonna Myers who keeps us informed of any needs in the Manse.

Special appreciation to Joe Roach who takes care of the Sanctuary, Price Hall and The Manse. He works diligently to oversee the daily operations of our buildings, and we continue to be grateful for his skill and attention.

Annual Report of the Personnel Team 2020

For the year 2020 there were some changes in personnel for Cold Spring Church. Our church staff remained the same with Dr. Kevin Yoho renewed as Transformational pastor. Joe Roach remained as our sexton and Jayne McDonough remained as our Church Organist and Music Director.

Many changes occurred with our cemetery staff. Carol Glacken remained as the secretary in the Cemetery Office with some of her duties being expanded because there was no one on site in the Church Office because of the COVID 19 pandemic. Office employees for the church were working remotely since March. Also, in October all the grounds work for the cemetery, lawn maintenance, grave openings, etc. were outsourced to Seaside Management company. This meant that long time employees Scott Rosell-Takayama and Christopher Rose along with any seasonal employees were laid off. We thank them for their years of service. The hope is that this will result in a significant cost savings in the future.

Mission Statement of the Worship and Music Team

The Worship and Music Team collaborates with the Pastor and the Organist/Music Director to enable meaningful worship in the preaching of the Word of God, the administration of the Sacraments, and celebration with music. Through meditation on the Word of God, and subsequent application to their lives, the members of our congregation will be better equipped to serve God and the community.

Team members include: Rev. Kevin Yoho, Jayne McDonough, Lenore Bowne, Rob Riehl, Marty Bowne (Chair)

Report of the Worship and Music Team

Members: Rev. Kevin Yoho, Jayne McDonough, Lenore Bowne, Barbara Cain, Marty Bowne (chair)

Providing meaningful worship services to the members of our congregation during 2020 was a challenge. As a result of Covid-19 restrictions on group gatherings and a deep respect for the health and safety of our members, in-person attendance was suspended in March. Weekly worship services continued uninterrupted albeit in a virtual delivery mode – either online or via phone connection. We learned to do hymn sing-alongs at home in front of our computers and prepared our own communion elements. In late September we reinstated in-person worship in our sanctuary while continuing with the virtual alternative. All CDC and state mandated protocols were followed (masks, hand sanitizer, social distancing for seating, no singing, no paper bulletins). Many in the congregation welcomed the opportunity to worship together safely as a small community.

The return to in-person worship necessitated some changes. Because attendees would be wearing masks while in the sanctuary, service duration was reduced to 35 minutes. Offering collection plates were placed at the sanctuary entrances. Communion was served using single use containers holding wafers and grape juice. There was no hymn singing; the Gloria and the Doxology were spoken and not sung. Many things were different but, for those who wanted to gather together to worship, it was worthwhile.

Our Advent season was different, too. We did not have different families come forward to light the Advent candles; Barbara Cain lit them each week. We did not have our two traditional Christmas trees created from poinsettia plants. We did have poinsettias throughout the sanctuary, and members of our congregation had the opportunity to

make dedications to loved ones or family members and friends who were deceased. We did have a 5:00 PM Christmas Eve service. It was prerecorded and presented over the internet.

As we enter 2021 we continue to have worship services in both an in-person and a virtual format. We all look forward to the time when we have been vaccinated against Covid-19 and our lives become more normal (including the way in which we worship the Lord). That time is coming and, with God's help, it will be coming in the near future.

Sanctuary Flowers Report

Donations of live altar flowers were stopped in March 2020 because of the Covid 19 Pandemic. Pink artificial flowers were substituted. (Presbyterian Women purchased and donated two arrangements of white artificial flowers as well.)

In December, twenty medium sized poinsettia plants from Cape Island Garden Center were purchased in celebration of Advent. (The poinsettia trees were not set up this year because they required 97 plants and our congregation was split between those in church and those on-line for services.) The cost of the plants was \$ 215. There were some monetary donations made to help pay for the poinsettias. The Worship and Music Committee offered to defray the rest of the expense.

The flowers brightened the church until after Christmas. At that time nine plants were picked up by members. Marge Wetherill found members and friends to provide homes for the other eleven.

Hopefully, it will be safe for us all to return to church in person soon.

Respectfully submitted,

Marjorie Wetherill
