

JESUS BRINGS LIGHT TO OUR DARK WORLD

When God sent his Son, Jesus, to come into the world, it was like sending a strong beam of light into the darkness. Our world is like a dark hideout. People go to live there because they have done wrong things. When you live in the dark, the world looks scary and you can get hurt.

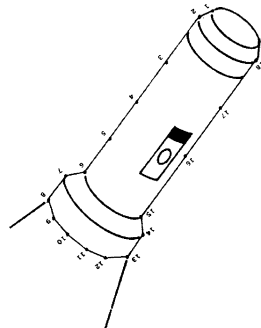

God saw how all his children were trapped in the dark and needed someone to come rescue them. That's why God sent his Son to us. When Jesus came into our world, he brought God's light. Like a strong beam of light, Jesus chases the sin and evil away. Some people are glad to see the bright light coming. They know that things will be better now that God is in their lives. But other people do not like the light. They have lived in the dark so long it hurts their eyes. Which kind of people shall we be?
