

Praxis' Special Job

Key Word: **Task**

Key Verse: Here am I, the servant of the Lord ... *Luke 1:38a*

Praxis, the pixie who changed color according to his moods, was a beautiful, bright orange. He was very excited. He had been chosen for a very special task. The pixie king told him, "I want you to clean out the visitors' toadstool, just so that it's ready if anyone should come to see us."

Praxis' face dropped. His bright, orange color faded very quickly and was replaced by a pale blue, and his shoulders drooped. "Do I have to?" he asked. The pixie king noticed the color change in Praxis and his eyes twinkled, but he simply nodded seriously, handing Praxis a bucket and a mop. Praxis stuck out his lower lip, and his blue color changed into a dull red. He started to argue, but changed his mind and skipped off toward the toadstool. It hadn't been cleaned for ages, and it took Praxis a long time. At first, Praxis was angry and bright red. This job felt like a punishment; not a special task. Praxis didn't think it was fair. He worked off his anger by scrubbing, mopping, washing, cleaning, dusting, and polishing. Gradually his scarlet skin changed to pink.

When Praxis reached the end of his job, the door opened. Praxis looked up. To his amazement, there stood an elderly pixie who was radiant and glistening white from head to toe. It was the wise, old pixie! Praxis loved him, for he was the only other pixie who had colors. But, because he was wise, his colors were rarely seen. He was so together that his colors had blended into a brilliant white. Praxis felt at peace and deeply loved in the company of the wise, old pixie.

Praxis flung himself into the wise, old pixie's arms. It hadn't been such a bad job after all, and he was very glad that the pixie king had invited him to prepare the toadstool. He was so thankful that he had cleaned it properly. Praxis smiled at the wise, old pixie. His heart was so full of joy and happiness that he turned bright, shocking pink for three whole days!
