

JESUS HELPS US LIVE IN THE REAL WORLD

(Jerusalem) — When Jesus was getting ready to go back to heaven to live with his Father, he gathered his followers around him. He told them that they would have to keep on doing his work in the world.

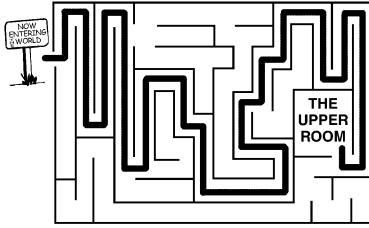

The disciples (followers) of Jesus were worried. They knew that the real world was a place where there were enemies of God. They knew they might be made fun of, and maybe even get hurt because they did God's work. But Jesus said, "I showed you how to live in the real world. I went there first. I loved the people there. Some of them listened. Some got angry. Some wanted to kill me. But God always took care of me."

Jesus' followers knew that Satan, the Evil One, would try to keep them from following God. Jesus told his followers God would help them win the battle over Satan.
