

THE MYSTERY OF GOD'S SURPRISE PACKAGE

(Near the Sea of Galilee) — Jesus was teaching big crowds about God's kingdom. He said God's kingdom is like the mystery hidden in a surprise package. The farmer takes the package (called a seed) and hides it under his soil. The little package does not look like anything special. In fact, when it is buried under the soil it looks as though that will be the end of it.

But then comes the surprise! The package begins to change! Pretty soon it starts to grow. A green stem comes up out of the ground. Then branches and leaves appear. Pretty soon it is tall and beautiful.

What a mystery! How can a little package like that turn into a beautiful green plant? Jesus said God's kingdom is like that. All of us are God's surprise packages. God can change us in surprising ways.
