JESUS SAVES A LITTLE GIRL'S LIFE

(In the region of Galilee) — People knew that Jesus was a good teacher. They listened carefully to what he said. They also knew that God had given Jesus power to heal people's diseases. That was one reason so many people came to see Jesus. They wanted him to take away their sickness, or the sicknesses of their friends.

One day something amazing happened. Jesus was walking along with his disciples (followers), helping people who came to him. One man asked that Jesus come to his house to heal his sick daughter. But Jesus became busy helping other people. By the time he arrived at the man's house, the girl was dead. Now everybody was sure it was too late for the little girl. But Jesus used God's power to bring her back to life. It was an amazing day.
